

EXCHANGE SCHOLARSHIPS

International Student Exchange Program (ISEP) Scholarships

The International Student Exchange Program (ISEP) of the Australian Government's Department of Education provides funding to eligible Australian higher education providers to support the participation of both outgoing Australian undergraduate exchange students and incoming undergraduate international exchange students. This Australian Government program incorporates the Endeavour Cheung Kong Student Exchange Program.

ACAP has a limited number of Australian Government ISEP scholarships for award to outbound ACAP undergraduate students and inbound undergraduate international students participating in student exchange 'to' or 'from' an eligible ACAP Partner Institution. The list of eligible ACAP Partner Institutions can be viewed online at www.acap.edu.au/Scholarships.html

Value and duration

ISEP scholarships are provided at the rate of up to AU\$5,000.00 and are designed to offset some of the costs involved in participating in an international study exchange.

They can be used to contribute towards:

- economy class international airfares and domestic travel associated with initial travel to the Partner Institution and final return to the home country on completion;
- costs associated with establishing living arrangements in-country, including health insurance and visa application fees if applicable; and
- additional living expenses while in-country, including accommodation and internal travel.

Who is eligible?

Outbound student exchange scholarships

Students who are Australian citizens or Australian permanent residents, and who have not previously received Australian Government student exchange funding, and who are undertaking student exchange for one to two terms with an eligible ACAP Partner Institution.

Inbound student exchange scholarships

Students enrolled with an eligible ACAP Partner Institution undertaking student exchange with ACAP for one to two terms, and who are not Australian citizens or permanent residents, and who have not previously received Australian Government student exchange funding.

Course area(s)

ACAP higher education undergraduate and postgraduate courses

Selection process

Applicants will be assessed by ACAP's International Office. Allocation of ISEP scholarships will be based on the applicant's academic merit and their personal statement submitted with their student exchange application.

Applications

All applications submitted to ACAP for student exchange 'to' or 'from' an eligible ACAP Partner Institution will be considered for the award of an ISEP scholarship, subject to the availability ISEP funding and the recipient's acceptance of ACAP's terms of the scholarship. The availability and award of ISEP scholarships is not guaranteed.
