---

## DELIVERY OPTIONS: ON-CAMPUS OR ONLINE

The discipline of Psychological Science delivers units both On-Campus and On-line. Both delivery methods for a unit will share the same structure and attendance requirements, the only distinction being the attendance of a session switching from in person on campus to online (Zoom Virtual Classrooms)

## LEVEL 100 PSYCHOLOGICAL SCIENCE UNITS AND ADVANCED EQUIVALENTS

- Two hour weekly lecture from week 1 to 13 (except mid trimester break week) (delivered on campus on one campus, livestream and recorded)
- 1.5 hour weekly tutorial from week 1 to 13 (except mid trimester break week) (on campus on all campuses and online)
- Online self-paced weekly activities

**Attendance requirements are only associated with tutorials**

## MULT1035 SUSTAINABILITY AND HELPING PROFESSIONALS

- One hour weekly lecture from week 1 to 13 (except mid trimester break week) (delivered on campus on one campus, livestream and recorded)
- 2 hour weekly tutorial from week 1 to 13 (except mid trimester break week) (on campus on all campuses and online)
- Online self-paced weekly activities

**Attendance requirements are only associated with tutorials**

# Psychology Delivery Methods

(Updated T1, 2021)
