

Counselling Workshop T2 2020 Timetables

The Discipline of Counselling has been reviewing the workshop schedules for Term 2 2020 Blended units and wish to establish some tentative dates. The Blended timetables have been updated with specific times for each unit to allow you to plan for On Campus Workshop attendance.

PACFA accredited courses require students to meet a minimum of face to face hours throughout their enrolled course making these workshops a mandatory component for completion of the relevant units.

Please note that the dates and times of On Campus Workshops are subject to change, depending on government and industry advice regarding management of COVID-19 to ensure the safety and wellbeing of our students and staff.

The updated Blended schedules can be found on the following pages and on the ACAP Student Info Hub webpage:

- **Diploma of Counselling Skills/ Bachelor of Counselling I Bachelor of Psychological Science and Counselling Workshop Timetables:** [CLICK HERE](#)
- **Bachelor of Applied Social Science Workshop Timetable:** [CLICK HERE](#)
- **Graduate Diploma of Counselling Workshop Timetable:** [CLICK HERE](#)
- **Master of Counselling and Psychotherapy Workshop Timetables:** [CLICK HERE](#)

Workshops have intentionally been placed towards the end of the trimester to allow for greatest risk reduction. Assignments are therefore not based on these workshops.

If the On Campus Workshops in this message cannot run as indicated, or if you are unable to attend a workshop, whether due to travel restrictions, or concerns about COVID-19 as an at-risk individual, the Discipline will review alternative future dates and workshop options to ensure students meet their face to face hours by the end of their course.
