IMPORTANT INFORMATION

The College will issue a Letter of Release if:

- a. the student's enrolled course is deemed by the College as academically unsuitable for the student.
The range of factors may include:
 - if the course the student wishes to transfer to:
 - better meets the study capabilities of the student
 - better meets the long term goals of the student, whether these relate to future work, education or personal aspirations
 - if the student wishes to change course in order to get access to greater support (may be through the services offered by another provider, commercial or non-for-profit services or through access to family, friends or a cultural support network)
 - if the student claims or can provide evidence that his or her reasonable expectations about the current course are not being met;

or

- b. the student can demonstrate compassionate or compelling circumstances which necessitate transfer to another provider and:
 - i. are beyond the student's control, and
 - ii. have not made their full impact on the student until after the acceptance of their offer or their formal enrolment in their course, and
 - iii. make it impractical for the person to complete six (6) months of study at the College.

International Students should not accept an offer at another institution within the first six months of their principle course of study unless the College has agreed to the release and has issued a letter of release. For information about government requirements see <http://www.border.gov.au/>

Supporting documentation

Applications for a Letter of Release will only be considered if you attach supporting documentation:

- Letter of Offer from the new provider; and
- Statement of reasons why you are seeking release or other documentation explaining reasons for release request

Decision process

A decision will be made regarding the application based on the two criteria identified above (Important Information) and on the supporting documentation. If approved, a letter of release will be sent by email and by post.
