ⁱ **Delivery modes -**

On-campus study typically involves three to four hours pre week of face-to-face teaching. This may take the form of single classes, or be combined as lectures and tutorials.

Online study – Online students need to devote the same number of hours per week, per unit as on-campus students, to reading course material, participating in group discussions and completing assessments.

Blended delivery – for blended delivery units, students are required to undertake activities, assessment and self-directed study online, as well as attending on-campus classes scheduled at relevant times throughout the trimester.

ⁱⁱ Maximum duration of courses is based on the set minimum Full-time (FT) duration of the course x 2 + 1 year maximum permitted course deferral

ⁱⁱⁱ Professional recognition is not required for graduates to practice

^{iv} This course is in teach out and available only to continuing students who commenced course in Trimester 2, 2015 or earlier.
