

Vision Australia – Blindness and low vision services is looking for volunteers for our centre based and outings program at Coorparoo, Brisbane head office

For a not-for-profit service provider like Vision Australia, the skills, knowledge and enthusiasm that volunteers bring to our organisation are of enormous value. Volunteers enable us to provide high-quality support while managing our resources for the future. They carry out a wide range of vital roles and symbolise everything we stand for - the provision of support in a practical, respectful manner.

Vision Australia prides itself on the high standard for involving volunteers. We comply with the National Standards for involving volunteers in Not for Profit Organisations. We ensure our volunteers are supported, well trained, work in a healthy and safe environment and well informed of our expectations of their involvement (volunteer assignment).

Vision Australia is a partnership between people who are blind, sighted or have low vision. We are united by our passion that people who are blind or have low vision will have access to and fully participate in every part of life they choose.

Volunteers make a positive difference to Vision Australia, and to the lives of people who are blind or have low vision.

Please contact myself, Becky Walker (Senior Community Support Worker) for further information.
Thank you
